SIG SAUER
NEVER SETTLE

By Sherwyn Greenfield, RD7
USPSA President
president@uspsa.org

WELCOME

Welcome to the **SIG 2021 USPSA HICAP Back to Back National Championship**, presented by Federal, The Carry Optics and PCC Championship match is sponsored by Blue Bullets, followed by Infinity Firearms sponsoring the Limited, and Open Championship match! Match Director Jake Martens and Range Master Troy McManus, along with a host of volunteers put together these matches so you can test your accuracy, power, and speed against the best, as we crown our National Champions. CMP Talladega Marksmanship Park, USPSA and our staff hope that you have a great match. Enjoy your time here and thank you for joining us.

Sherwyn Greenfield,
USPSA President

UPCOMING DISCUSSION WITH THE MEMBERSHIP

During Nationals the USPSA Board of Directors will be holding two separate panels for discussion with the membership. These meetings will serve as the Annual Membership meeting per the current bylaws.

To **submit questions online** ahead of the meetings please go to **https://uspsa.org/questions**. There will also be an opportunity to ask questions of the board in person.

The first meeting will be October 16th at approximately 7:00 pm central time. The second meeting will be October 22nd at approximately 7:00 pm central. Both meetings will be at the CMP in the Park's main building. Additionally the meeting will be Live-Streamed for all members to view.

MATCH BRIEFING

SAFARILAND®

THESE POLICIES ARE JUST AS IMPORTANT AS THE RULES. YOU ARE EXPECTED TO READ AND UNDERSTAND ALL THE CONTENTS OF THIS MATCH PUBLICATION.

All competitors must have a current CMP Talladega Marksmanship Park Range Safety Card on them to compete in the match. If you do not have a current Range Safety Card you will have to watch the video and complete the CMP Marksmanship Park waiver in the clubhouse before going to the match. Registration for PCC/CO and the Racegun Nationals will be in the CMP Clubhouse.

! *Competitors need to report to their first stage prior to the start of first shots at 9:00am, but not before coming to the CMP Marksmanship Park clubhouse first to:*

- **Register for the Match**
- **Ensure that they have a current CMP Marksmanship Park Range Safety Card**
- **Complete the USPSA Equipment Survey and Waiver**

(This needs to be completed before arrival to the range)

COLD RANGE: The CMP Marksmanship Park is a cold range. Firearms will not be handled anywhere on the range except in designated safety areas or under the direct supervision of match staff. Handling firearms in parking areas is unsafe gun handling.

SAFETY AREAS: The range is equipped with a number of safety areas to bag and holster guns, for dry fire practice and gun repair, etc. No ammunition may be handled in any safety area.

PARKING AREA: Competitor parking area is designated on the map. Competitors are not allowed to park across the bridge area or next to the bays.

RULES: The match rules are found in the current edition of the USPSA Competition Rules.

OBEY YOUR RO'S: Range officers are here to assist you in completing a safe shooting contest. Please comply with their requests. Please bring any issues to the attention of one of the Range Masters.

SET STEEL AND TAPE TARGETS: Competitors are expected to stay together as a squad to tape, set steel, and help maintain efficiency on each stage.

LOST BRASS: All brass is donated to the staff.

ALCOHOL: Alcohol and recreational drugs may not be consumed anywhere on the range. Competitors violating this policy will be disqualified and asked to leave the range.

DRESSCODE: Practical shooting is a sport. The match director will be the final arbiter of dubious taste.

SCHEDULING: No competitor will compete for score on other than the scheduled dates (6.5.1). Occasionally, stages will clear squads early. If your entire squad is available and the CRO approves, the squad will be allowed to shoot ahead of schedule, but only on the scheduled date.

INSPECTION: When the entire squad is assembled, the written stage briefing will be read. This will be followed by an inspection and question period. Shooters may negotiate obstacles only during this inspection period or while the previous shooter's targets are being scored. Early inspection is permitted by the squad next scheduled to shoot a stage, providing that the previous squad is finished, you report to the range officer prior to inspection, and time permits.

Proud Sponsor of All 2021 National Level Matches

SHADOWSYSTEMSCORP.COM/DR920

RANGE OPENING: The range is closed to all competitors prior to the scheduled start time of the staff match October 14th at 9:00am. Registration will open October 15th from 1:00pm to 5:30pm and October 16th from 8:00am till 1:00pm. There cannot be any shots fired until 9:00am. The range will close each day at 6:00pm.

Competitors may inspect the stages when they are available, but may not activate, set, or reset any moving targets or activated props. Competitors are not allowed to inspect the stages until the range has been opened. Competitors must have a current CMP Marksmanship Park Range Safety Card on them before being allowed to go on the range.

HAZARD AREAS: Orange cones and/or safety flagging may be used to restrict certain areas of the range. For safety reasons, competitors and spectators are prohibited from going past these markers without permission.

EYE AND HEARING PROTECTION:
All competitors must wear eye and hearing protection during the course of fire. Eye protection is required to be worn by everyone while on the range. If you do not have adequate eye protection, please see the range master.

CHRONOGRAPH:
Competitors will report to the chronograph at the scheduled time for their squads (see squad schedule). If you fail to report to the chronograph for the scheduled test or after a random sampling, your scores will be removed from the match (App. C2, 42).

- At the chronograph station, do not handle your gun until instructed by the CRO.
-Certified Match Ammunition (App C3) must be declared at registration, the **Certified Ammunition Declaration** completed and turned in with your eight sample rounds. Competitors declaring Certified Match Ammunition will still follow the Chronograph procedures (App. C2)

MATCH SCORING: The championship will use Practiscore. If you have scoring questions, first check your math, then take your score card copy to Stats to remedy the problem.

HYBRID VIGOR
JP5
Minimal recoil, flawless reliability, full versatility.
The 9mm JP5 combines the renowned roller-delayed function of the H&K MP5 with the superior ergonomics and customization of the AR. The result is a revolutionary new Glock magazine ambi platform from the industry leader in pistol caliber carbine design.
The fusion of two great things can surpass them both.

USPSA BACK TO BACK NATIONALS
RANGE FACILITIES

! All competitors must have a current CMP Talladega Marksmanship Park Range Safety Card on them to compete in the match. If you do not have a current Range Safety Card you will have to watch the video and complete the CMP Marksmanship Park waiver in the clubhouse before going to the match. Registration for PCC/CO and the Racegun Nationals will be in the CMP Clubhouse.

REST ROOMS: Portable toilets are located conveniently around the range.

FOOD SERVICE: Lunch will be available for purchase. Water will be provided on the bays.

CLOSED RANGE: If the range is marked closed, and a barrier is across the range road, no competitors may enter the range for any reason. We will have access to the bathrooms, registration, and ammo pickup available and clearly marked. Any competitor on a closed range will be required to leave and may be subject to disqualification. Please obey the signs.

PARKING: Parking areas will be clearly marked on the range map. Competitors may only park in the competitor areas. Lock your car and take your valuables.

PERSONAL VEHICLES: Unless you have permission from the Match Director or Range Master, you may not take any Privately Owned Vehicles onto the range. If you have a physical disability please contact the MD/RM. The CMP is offering Golf Cart rentals for competitors and are allowed on the range. Carts and wagons are allowed. If you are allowed a POV on the range, you must drive slowly and cautiously, and may not park anywhere but on the side of the range road, leaving clearance for staff vehicles at all times. Parking under the covers is not allowed. Failure to comply will result in vehicle privileges being revoked.

GUN HANDLING IN THE PARKING AREA IS PROHIBITED.

SPECTATORS: Everyone must wear eye protection while on the range and hearing protection is strongly suggested. Climbing on berms is not allowed. Children must be under the direct supervision of a parent. If you need eye protection, please see a range master.

EXHIBITS/DEMO AREA: The U.S. Nationals Exhibits, featuring many different suppliers to our sport, will be in the sponsor tent at the range. Only sponsors of the U.S. National Championships are allowed display areas on the range. Please acknowledge and thank them for their generous support.

PRIZE TABLE/TROPHIES: Mock Trophies will be presented at the awards ceremony for photography opportunities and personalized trophies and medals will be shipped to recipients after the event. See schedule for times and location. Prizes will also be distributed after the awards ceremony. All prizes are distributed to competitors based on order of finish in each division.

ELIGIBILITY: The National Champion must be a U.S. citizen or a resident with a valid work permit (green card) and a current member of USPSA. Trophies/Plaques will be awarded based on the criteria in Appendix A2 of the current USPSA Handgun Rules. In a National Championship, there must be at least 10 competitors in a division, 10 in a class in that division, and 5 in a category in that division for recognition. You must be a current USPSA member before the commencement of the match order to compete.

THINK FAST

SPEED IS EVERYTHING

CASEY REED
USPSA Grand Master
USPSA 2018 National Champion

Cleaner burning propellant | Less muzzle rise | Eliminates fouling | Better knockdowns

Fly through stages with Syntech Action Pistol.

With less muzzle flip for faster follow-up shots and a bullet profile that transfers more knockdown to steel targets, Syntech Action Pistol® is built for speed. The polymer-encapsulated bullet eliminates metal fouling, and the Catalyst lead-free primer deals out the most consistent ignition in competition. Meets major or minor power factor requirements.

DAVINCI

INTRODUCING

ADM

AUTOMATIC DECAPPING MACHINE

Many shooters wash their cartridge cases without decapping them from beforehand. This is not an ideal method, because it does not clean out the primer pockets, compromising the powder and primer efficiency in the reloaded cartridge.

In order to decap the brass before washing and reloading it, **Shooting Technology** has developed the **ADM** or *Automatic Decapping Machine* (Patent Pending).

It is dedicated exclusively to deprime expended cases, comes ready for 9mm and 40 caliber with conversions available for other calibers up to 308 length.
